Wishes
for the Jewish Community in Poland
on the occasion of Rosh Hashanah

Ladies and Gentlemen!

On the occasion of Rosh Hashanah, I would like to wish the Jewish community in Poland good health, spiritual strength, and every success. May the joint celebration of these special days, when you traditionally exchange best wishes with your family and loved ones, bring you true joy and satisfaction. May it give you strength and encouragement for the future.

I wish you a new year full of peace and happiness. May it bring you satisfaction in the fulfillment of all your plans and intentions. May it be full of successes and achievements in all your endeavors – for the benefit of your community and the entire Republic of Poland.

Happy New Year!

Kind Regards,

President of the Republic of Poland
Karol Nawrocki
